PLEASE NOTE: This request is not filed by a MuckRock staff member, but is being sent through MuckRock by the above in order to better track, share, and manage public records requests. Also note that improperly addressed (i.e., with the requester's name rather than "MuckRock News" and the department number) requests might be returned as undeliverable.

On July 23, 2019:

Subject: RE: Florida Sunshine Law Request: Florida police data (Gainesville Police Department)
Due to the information being provided in response to items 1, 2, 5 - 8 being large in size, I have copied these files onto a CD for mailing to the address given by you. As for items 2 and 3, there were 467 civilian complaints filed between 2013-2018 and 37 were sustained (see breakdown below). It is estimated that it will take at least 8 hours to convert the 467 civilian complaints from paper to a PDF format. Depending on the size of the 37 sustained cases, it could take approximately 4 or 5 additional hours to review these files for possible redaction. Due to your request requiring extensive labor, we are charging an advance

This email acknowledges receipt of your public records request. You will be contacted regarding an estimation of fees associated with your request.

Reggie

On July 12, 2019:

Subject: Florida Sunshine Law Request: Florida police data (Gainesville Police Department)

To Whom It May Concern:

Pursuant to the Florida Sunshine Law, I hereby request the following records:

1. The total number of police use of force incidents, broken down by type of force used, between 2013-2018 (separated by year).

2. The total number of people that police used force against, between 2013-2018 (separated by year).

3. A copy of all complaints reported by civilians against police between 2013-2018.

4. A copy of any documents indicating whether the civilian complaints identified in request #3 were sustained.

5. The policy manual of the police department.

6. The current union contract between the city and any police unions.

7. All records regarding police shootings (including fatal police shootings, non-fatal police shootings and police shootings at a civilian that missed) between 2013-2018, including incident-level information specifying the date of each incident, race and gender of all subjects involved, what weapon if any they were armed with, any injuries or deaths resulting from the incident, the names of all officers involved, whether administrative investigations found the incidents to be justified under police department policy and any disciplinary actions taken against the officers as a result of the incident.

8. All records regarding civilian deaths or serious injuries resulting from police use of force between 2013-2018, including incident-level information specifying the date of each incident, race and gender of all subjects involved, what weapon if any they were armed with, any injuries or deaths resulting from the incident and the names of all officers involved.

The requested documents will be made available to the general public, and this request is not being made
